

Zu Punktebildern Plus- und Malaufgaben finden

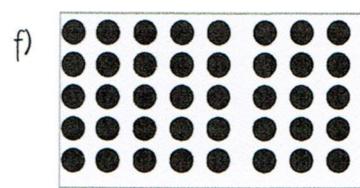

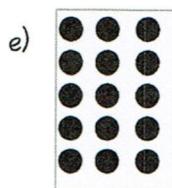

① Schreibe unter jedes Punktebild die Plusaufgabe und die Malaufgabe. Rechne beide Aufgaben aus.

$$\square \cdot \square = \square$$

$$\square \cdot \square = \square$$

$$\square \cdot \square = \square$$

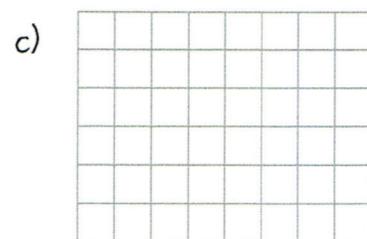

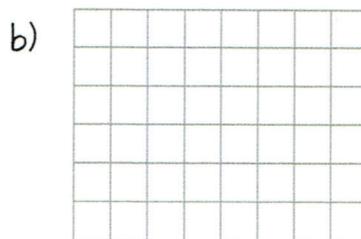

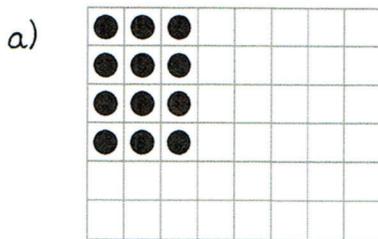

$$\square \cdot \square = \square$$

$$\square \cdot \square = \square$$

$$\square \cdot \square = \square$$

② Zeichne passende Punktebilder. Schreibe die Plusaufgabe auf. Löse beide Aufgaben.

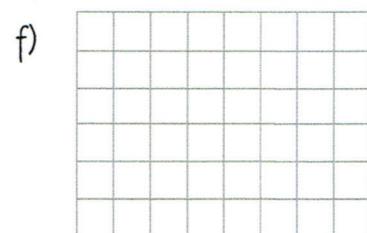

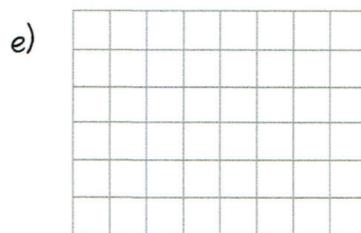

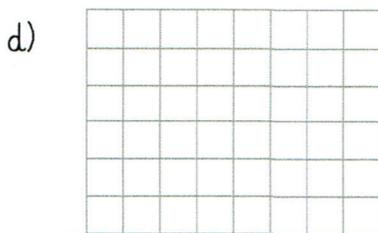

$$3 + 3 + 3 + 3 = 12$$

$$4 \cdot 3 = \square$$

$$5 \cdot 2 = \square$$

$$4 \cdot 5 = \square$$

$$2 \cdot 4 = \square$$

$$4 \cdot 6 = \square$$

$$3 \cdot 8 = \square$$
